RESERVES

JILL SOUTH –0409630234

TENNIS CENTRE - 49225181

If four members of a team are not available a reserve or a number 5 from another team can be used.

Note: this is **only** if four team members are unavailable. Number 5's from Division 1 can also be borrowed if they are available. A reserve cannot play in a position lower than indicated above, e.g., a Number 2 Reserve cannot fill in as a Number 3.

Please appoint someone to organise your team and keep that person informed if you are unable to play and can't find a reserve. If you make any changes always let the team organiser know. If you are having trouble finding a replacement player please inform your team organiser or one of the delegates or Jill in plenty of time so they can help.

Wet Weather Days: If you have not had a phone call or SMS to say fixtures have been cancelled and want confirmation, phone Jill, Bub Bean (49283326) or Janita Wass (0402239720) **after 7.30am.**

If fixtures are cancelled due to rain we continue on to the next round the following week.
